

The Sparkassen app at a glance.

Mobile banking

Allows you to easily and securely take care of all of your banking, from making payments to setting up standing/exemption orders, both from the comfort of your home and on the go.

24/7 Access to your account

Manage and access your account anywhere and anytime. Access all of the services provided by your Sparkassen branch while on the move – available for both iOS and Android.

All of your accounts in one place

View account balances, credit card transactions and securities account balances at anytime – including those from other banks.

Electronic mailbox

This is where all your account, securities and credit card statements will be sent and from where you can communicate with our advisors.

Find branches and ATMs

You can also use the Sparkassen app to find our nearest ATM or Sparkassen branch. Super handy, especially when travelling.

 giropay

Countless extra features

Our Sparkassen app comes with many other extras such as S-Trust for securely storing your documents and giropay for paying online and sending money.
