

## Setting up the Mobiles Bezahlen App (Mobile Payment App).

**Step 1:**  
Download the Mobiles Bezahlen App from the Google Play Store. Install and open it.

**Step 2:**  
Agree to the License Conditions and Terms of Use and read the privacy policy. Enter and select Sparkasse.

**Step 3:**  
Enter a 6-digit PIN.  
Enable biometric authentication (optional).

**Step 4:**  
Log in with your online banking login details and add bank cards.

**Step 5:**  
Select an authentication method.

**Step 6:**  
Add the bank card you want to use for the app payments and confirm with a TAN. You will now be able to make mobile payments.
