

All of the things you can do with our Mobiles Bezahlen App (Mobile Payment App)

Our Mobiles Bezahlen App* (Mobile Payment App) can be used at a hundred thousand terminals in Germany when paying with a Sparkassen Card (debit card), and at as many as one million terminals worldwide when paying with a Sparkassen Credit Card and Basic Sparkassen Card (debit card).

Online payments – secure and simple: payments made with the app are subject to the same high security standards as payments made with our Sparkassen Card (debit card), Sparkassen Credit Card and Basic Sparkassen Card (debit card). No personal details such as your name and address are ever transmitted.

Enjoy being able to make fast and hygienic contactless payments in shops — no need to enter a PIN. Every payment is authorised with the relevant authentication method saved on your phone.

For all Android™ smartphones. Suitable for phones with Android™ 6.0 and above.**

*Suitable for Android™ and available from participating Sparkassen banks.
**Android™ is a registered trademark of Google LLC.
