Paying with Apple Pay.

## With Face ID

2x

1.
Double-click the side button of the iPhone.

2.
Look at the screen and hold the iPhone near the reader of the point-of-sale terminal as you would when making a contactless card payment

With Touch ID

Paying by iPhone
Place your finger on the Touch ID sensor of the iPhone and hold the iPhone near the reader of the point-of-sale terminal.

With Apple Watch

2x

Paying with Apple Watch
Double-click the side button of the Apple Watch and hold it near the reader of the point-of-sale terminal.

Wenn's um Geld geht
