

Pay online with giropay.

Free and quick payments from your current account:

Pay securely online in thousands of different shops: Pay securely using your online banking login details, with your digital Sparkassen card (girocard)* in the Mobile Pay app, or use your giropay username and password. Regardless of which method you choose, you'll always be protected and benefit from our money back guarantee.

Data protection:

giropay only uses servers based in Germany. Added to that, it also does not share any data with third-party payment service providers.

Save money:

Paying with giropay means you will benefit from exclusive discounts and promotions.

Everything under control:

All online purchases made with giropay will show instantly on your Sparkassen current account.

giropay

Buyer protection:

Benefit from buyer protection and our money-back guarantee should a seller ever fail to deliver.

Verify your age:

giropay ID is a quick and secure means to provide proof of your age to online retailers that does not require any additional verification.

* All Sparkasse cards and/or girocard are debit cards.
